### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please replace the current title with the following – **ABSORBENT ARTICLE WITH REAR PORTION INCLUDING A FIRST AND SECOND LEG**

The following is an examiner's statement of reasons for allowance: the overall claimed combination of an absorbent article with a rear portion of the absorbent body comprising a layer that is split into a substantially Y-shaped body having a first leg and a second leg with a gap between the legs and an elastic member placed between the legs without overlapping the legs has neither been anticipated nor rendered obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
